

National HOSA Creed

I Believe in the Health Care Profession.

I Believe in the profession for which I am being trained; and the opportunities which my training offers.

I Believe in education.

I Believe that through education I will be able to make the greatest use of my skills, knowledge, and experience in order to become a contributing member of the health care team and of my community.

I Believe in myself.

I believe that using the knowlesge and skills of my profession, I will become more aware of myself. Through fulfulling these goals I will become a more responsible citizen.

I Believe that each individual is important in his or her own right; therefore I will treat each person with respect and love.

To this end, I dedicate my training, my skills, and myself to serve others through **Health Occupations Students of America**.
